## Experience

Freelance-
I'm currently active as a freelancer in the web design gig and have profile on different freelancing platforms like Fiver, Upwork where I posted web design gigs.

Web design Internship( Oyasis Infobyte) 2024-
Completed web design online internship from 'oyasis infobyte' and earned the completion certificate. Where I have completed three tasks of designing and developing web pages.

# Courses

Full Web design- FLUX ACADEMY-

Completed a comprehensive web design course by Flux Academy online, covering fundamental principles of design, responsive web development, and best practices for creating visually appealing and user-friendly websites. Gained hands-on experience with industry-standard tools and techniques, enhancing both technical and creative skills in web design.

UI/UX Course-Career Foundry-

A comprehensive course covering fundamental principles of UI/UX design, including user research, wire-framing, prototyping, and usability testing. The course provided practical insights and hands-on experience, enhancing my ability to create intuitive and user-friendly interfaces.
